## President's Message

Hi Everyone,

Again we had a great turnout for the April meeting. Dr. Nathan Goddard, DVM's talk about the importance of Equine Dentistry was very good and well attended.

Unfortunately our Easter Egg Hunt had to be cancelled due to weather and a soggy field. But our fun day at Salisbury Park was well attended and went off very well. It was great to see everyone.

I hope everyone will come out for the Cones & Hazards Practice Day on May 21 at Salisbury.

For the May 12 membership meeting, by popular demand Joe Johnson will speak to us again about carriage safety, maintenance and balance. Joe gave us a great presentation last year but few were able to attend and benefit from it so we hope you can make it this time.

## CDS EVENT: GREENLAND OPEN SPACE TRAIL DRIVE | SUNDAY, MAY 15, 2016 | LARKSPUR, CO

## CDS Greenland Open Space Trail Drive

### 10 am—1 pm, May 15, 2016

**G**reenland is part of the vast expanse of Douglas County open space you see along I-25 between Larkspur and Monument hill. It is easily accessible at exit 167 from both north bound and south bound I-25. Lots of drive-through trailer parking, a port-a-potty and a covered picnic area with really nice tables are all provided at the trailhead.

**Directions:** From I-25 exit 167, go west .2 mile to where road turns south. Entrance to Greenland Open Space will be straight ahead .4 mile.

The organizers will be there **before 10:00 AM**. Please plan to **arrive early enough to complete your drive by 1:00 PM**. Our picnic will follow, so **bring your lunch**. If you have any questions, give us a call.

Bob Ripple: 303-681-2574 rcjbripp@aol.com  
Please call so we know who is planning to come.

When you arrive, please see Bob to sign a release before the drive.

Your drive can be as long as 9+ miles or as short as you want it to be. Almost everywhere along the trail you will be able to move off the trail to rest your equine and/or circle around to reverse direction.

Everyone from VSE to draft drivers can enjoy an interesting drive in an awesomely huge area of open space. After the first .9 mile, you will have choices. [1] You can plan to drive the entire Kipps Loop for a 8.2 mile RT drive. [2] You can plan to drive only the lower trail. That would be a RT drive of 2.0 miles to 7.0 miles depending on when you decide to reverse direction. [3] You can plan to drive only the higher trail. That would be a RT of from 2.0 to 9.4 miles.

On all the trails, none of the inclines or declines are steep. There are not any scary drop-offs. Most of the trails were originally graded and spread with gravel. Over time, some erosion and re-growth of the original vegetation has occurred. As a consequence, in some areas one wheel path may be obscured and the ride can be a little rough. The trail is somewhat comparable to a marathon course without hazards. However, you will have no need to go fast.

---

*Each drive participant will be using the Greenland Open Space facilities as individual members of the general public. Each of us will be obligated to obey the applicable trail and parking lot user rules and to respect the rights of others to use the facilities on an equal basis. CDS has no control over and assumes no liability with regard to the condition of those facilities or the behavior of other people in or near those facilities."*

CDS EVENT: DRIVING DERBY | SUNDAY, JUNE 5 | SALISBURY EQUESTRIAN PARK | PARKER, CO

## Colorado Driving Society

# Driving Derby

Sunday, June 5, 2016

Salisbury Equestrian Park,  
11920 N Motzenbacher Rd, Parker, Colorado

Host: Erik Jensen

Entries must be received by May 27

Al Senzamici driving Ragtime

Diane Russell driving Scotty

### How it works:

Each driver will be timed through a numbered course of obstacles and gates in the proper direction and in correct numerical order to the finish line. Drivers may enter horses of any breed and size, from minis to drafts, in different divisions and classes.

A round is run as a timed competition with penalties converted into seconds. There will be two rounds for each competitor. The times plus penalty scores for both rounds are added to produce final scores and placing.

### RULES

#### Divisions

- Training Level Division: trot only.
- Open division: any gait.

Classes refer to equine size; any equine breed may enter:

- VSE/Small Pony (less than 12.2 hands) \*very small equine
- Large Pony (12.2 to 14.2 hands)
- Horse (over 14.2 hands)

#### Presentation:

- Horses and riders must be turned out in clean and neat marathon style/

#### Navigators:

- All entries except VSE are required to have a navigator on the vehicle. Navigators may ride with more than one entry.
- Drivers under the age of 18 years must be accompanied by a navigator of 18 years and older with the exception of VSE.
- Youth drivers over the age of 14 may drive single in VSE class.
- Drivers over age 18 must be accompanied by a navigator 14 years or over with the exception VSE.

#### Equipment:

- All persons on the course must wear properly fitted ASTM/SEI protective headgear with chin strap harness secured. Protective vest and medical armbands are not required but recommended.
- Only the driver may handle the reins, brake and whip.
- A whip of suitable size to reach all horses must be carried in hand while on the course. If the whip is dropped, the driver or groom can retrieve a spare whip or the carriage must be stopped so a groom may dismount and retrieve the whip. In the case of a drivers without a groom, the whip may be restored to the driver by an outside party. The penalty is the time lost.

### Course:

- A course diagram will be available upon check-in. Drivers will be invited to walk the course the morning of the event.
- Cones/Obstacles will be set at a common width of 175 cm.
- Hazards will be set at a minimum of 3 meters apart.
- The entry to each obstacle or gate will be numbered on the right by a red sign or flag, to indicate the correct direction. Entering an obstacle with the red sign or flag on the left or out of numerical order is an error and cause for elimination.
- Driving hazard gates out of order is “off course” and may be corrected by returning to the missed gate and resuming the course.
- Hazard gates completed are considered dead and can be driven in any direction.
- The judges’ interpretation of the rules is final.

### SCORING

- Course time begins and ends when the horse’s nose crosses the start and finish lines.
- Penalties are added to the elapsed time for total time. Penalties are listed on page 9.
- Entry with lowest total time wins. This can be a combined time if multiple runs are used.
- Ties will be broken by the fewest penalty seconds or a drive off at management discretion.

### To Enter the Driving Derby.

- Fill out the attached entry form.
- Entries and fees must be received no later than May 22, 2016. *Make checks payable to Colorado Driving Society* A confirmation email will be sent upon receipt of entry.
- If you are under 18, your parent or legal guardian must sign the application form along with you.
- All drivers and navigators (parent/guardian when applicable) must sign a CDS Release form (below) before participating.

2. The 20 Mile House Combined Driving Trial will be conducted and judged according to American Driving Society rules insofar as possible.
3. Neither the management of the event, the Organizing Committee, the Show Committee, nor the property owners of any property used during the event accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, driver, employees, attendants, spectators or any other person or property in connection with this competition.
4. **HARNESS AND VEHICLES MUST BE IN GOOD CONDITION, SAFE, uniform in appearance, and of an accepted style.** Vehicles may have iron or solid rubber tires. ## Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile. See page 3 for times and volunteer posts..

On **Saturday, July 16**, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the hazards. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On **Sunday, July 17, show day**, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its hazards. When everything's over, we'll need a few folks to take down the marathon course and hazard markers, take down sunshades and equipment, and pack everything up. Volunteers receive thorough instructions in advance.

On show day, we're happy to have you for all or just part of the day. Either way, **we'll feed you—and thank you!** If you can help, please fill out the form below and mail it to Susan Tyler, 755 Vista Lane, Lakewood, CO 80214 or call 303-915-9553 or email SusanHTyler@gmail.com

If you signed up to volunteer for this event by phone or email, please reconfirm here your intention to volunteer. Thanks!
