President's Message

Hi Everyone,

Cathy said we had a good turnout for Joe Johnson's presentation on Carriage Maintenance and the importance of a balanced carriage. Joe always does a wonderful job of keeping us up to speed on taking good care of our vehicles.

Unfortunately, the weather didn't cooperate with our Greenland Drive. Terry Miller and some friends were the only ones willing to brave the wind and cold.

The Cones and Hazards Practice Day was well attended and enjoyed by all. Thank you Pat for filling in as organizer.

At our June membership meeting, Pat Lamprey will lead a discussion on dress and turnout for carriage shows. She gave us a great presentation on turnout last year; this year will have a different twist. Bring or come dressed in your show clothes and bring pictures of your horse and vehicle. We'll talk about what's correct and what works for your particular horse/vehicle combination.

PUT THEM ON YOUR CALENDAR

AND LET'S CONTINUE TO HAVE A GREAT YEAR!

Fred Wehrli

Adjourn

Remembering Jim Rihanek

We sadden to hear of the death of Jim Rihanek on May 17. Jim was one of the earliest members of CDS and has always been very active with the club. He helped organize many Combined Driving Events as well as other events over the years, and volunteered at some CDS and RMCC events.

He also taught Carriage Driving 101 (our beginners' clinic), and long-lining/ground driving clinics for the past several years. He was instrumental in making the annual Parker Christmas Carriage Parade run smoothly.

He will be greatly missed.

Pat Lamprey

Jim was the backbone to our annual "Intro to Driving 101," and "the long-line classes" at my place. Lani and I are so upset over this!!!!

Sandy Clayton

Jim will be sorely missed. He was certainly a great and longtime member, instructor, past president and board member of this club. He was a mainstay for the Christmas Carriage Parade.

Fred Werhli

I didn't know Jim well, but I remember his expertise and help during our cones training driving events. I greatly appreciated his tips and recommendations. Jim will be missed!

Ingo Wiedenhuess

Marynette, Jim's wife, prefers *not* to receive condolence calls, but you can send cards to:

Cones and Hazards Practice Day

We had a great turnout for the cones and hazards practice day on Saturday, May 21. Lovely weather, good conditions on the field, hazards ready for driving.

Pat Lamprey stepped in as the organizer. There were two full CDE level cones courses to drive and four marked hazards (A-E in some) in the lower level of the park.

The Parker Parks Department restored the sheep pen hazard for us and the hazard areas themselves were in great shape.

Several drivers brought multiple turnouts and all seemed to have a fun with our simulation of CDE cones and hazards.

Carriage Maintenance and Safety

At the May CDS Membership Meeting, Joe Johnson showed us the ins and outs of carriage maintenance, balance and safety. He demonstrated how to check and adjust the balance of your cart, and pointed out the parts of your carriage to carefully check and clean.

Joe is in the business of building carriages and is available to help you maintain or repair your carriages.

See Freedom Carriages on page 14 of this newsletter.

GENERAL RULES

PLEASE READ CAREFULLY BEFORE SUBMITTING ENTRIES.

1. **A bridle with reins attached and passed through the saddle terrets must be in place when ever a horse is put to a vehicle.** Failure to comply will incur elimination.
2. The 20 Mile House Combined Driving Trial will be conducted and judged according to American Driving Society rules insofar as possible.
3. Neither the management of the event, the Organizing Committee, the Show Committee, nor the property owners of any property used during the event accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, driver, employees, attendants, spectators or any other person or property in connection with this competition.
4. **HARNESS AND VEHICLES MUST BE IN GOOD CONDITION, SAFE, uniform in appearance, and of an accepted style.** Vehicles may have iron or solid rubber tires. Pneumatic tires will be allowed at all levels for Very Small Equines. Pneumatic tires will be allowed for horse and pony vehicles in Training Level only. Vehicles, harnesses or equipment that are found to be unsafe will not be allowed to compete or remain in use during the event.
5. **ALL DOGS MUST BE ON A LEASH AT ALL TIMES! (Better yet, leave them home!)**
6. ADS veterinary and cruelty rules will be observed. If during the show an animal is deemed unfit to continue, this decision, under the aegis of the judge, will be final.
7. Junior drivers under 14 years of age, except those driving VSE/minature horses, must be accompanied in the carriage by a knowledgeable adult horseperson. Failure to comply will incur elimination.
8. **A groom/navigator is required for all turn-outs on the marathon,** except for VSE competitors aged 14 or older. Additional passengers are permitted. **Groom/navigators must be at least 12 years of age.**
9. Breeching and/or brakes are required for the marathon.
10. **HARD HATS are required for the marathon.**
11. Groom/navigators may ride more than once if scheduling permits. A driver may compete with more than one turnout if scheduling permits. A driver may ride as groom/navigator for another competitor if scheduling permits.

Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile. See page 3 for times and volunteer posts..

On **Saturday, July 16**, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the hazards. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On **Sunday, July 17, show day**, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its hazards. When everything's over, we'll need a few folks to take down the marathon course and hazard markers, take down sunshades and equipment, and pack everything up. Volunteers receive thorough instructions in advance.

On show day, we're happy to have you for all or just part of the day. Either way, **we'll feed you—and thank you!**

If you can help, please fill out the form below and mail it to Susan Tyler, 755 Vista Lane, Lakewood, CO 80214 or call 303-915-9553 or email SusanHTyler@gmail.com
