President's Message

Hi Everyone,

We had a great presentation on driving attire by Pat Lamprey and Suzie Haszelbart. Jan Wehrli and Suzie both wore their driving outfits. Everyone learned a great deal from the presentation.

Unfortunately, the weather didn't cooperate with our Greenland Drive. Terry Miller and some friends were the only ones willing to brave the wind and cold.

It was disappointing to see the Derby cancelled due to too few entries. Unfortunately we were competing with some other events. We are working to do better on the next date.

This month our presentation will be an excellent video by Muffy Seaton on the basics of Combined Driving. This should be very informative to those entering the 20 Mile event.

Speaking of which, don't forget to get your entries in right away for the upcoming 20 Mile House Combined Driving Trial.

PUT THEM ON YOUR CALENDAR

AND LET'S CONTINUE TO HAVE A GREAT YEAR!

Fred Wehrli

GENERAL RULES

PLEASE READ CAREFULLY BEFORE SUBMITTING ENTRIES.

1. **A bridle with reins attached and passed through the saddle terrets must be in place when ever a horse is put to a vehicle.** Failure to comply will incur elimination.
2. The 20 Mile House Combined Driving Trial will be conducted and judged according to American Driving Society rules insofar as possible.
3. Neither the management of the event, the Organizing Committee, the Show Committee, nor the property owners of any property used during the event accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, driver, employees, attendants, spectators or any other person or property in connection with this competition.
4. **HARNESS AND VEHICLES MUST BE IN GOOD CONDITION, SAFE, uniform in appearance, and of an accepted style.** Vehicles may have iron or solid rubber tires. Pneumatic tires will be allowed at all levels for Very Small Equines. Pneumatic tires will be allowed for horse and pony vehicles in Training Level only. Vehicles, harnesses or equipment that are found to be unsafe will not be allowed to compete or remain in use during the event.
5. **ALL DOGS MUST BE ON A LEASH AT ALL TIMES! (Better yet, leave them home!)**
6. ADS veterinary and cruelty rules will be observed. If during the show an animal is deemed unfit to continue, this decision, under the aegis of the judge, will be final.
7. Junior drivers under 14 years of age, except those driving VSE/minature horses, must be accompanied in the carriage by a knowledgeable adult horseperson. Failure to comply will incur elimination.
8. **A groom/navigator is required for all turn-outs on the marathon,** except for VSE competitors aged 14 or older. Additional passengers are permitted. **Groom/navigators must be at least 12 years of age.**
9. Breeching and/or brakes are required for the marathon.
10. **HARD HATS are required for the marathon.**
11. Groom/navigators may ride more than once if scheduling permits. A driver may compete with more than one turnout if scheduling permits. A driver may ride as groom/navigator for another competitor if scheduling permits.

Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile. See page 3 for times and volunteer posts..

On **Saturday, July 16**, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the hazards. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On **Sunday, July 17, show day**, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its hazards. When everything's over, we'll need a few folks to take down the marathon course and hazard markers, take down sunshades and equipment, and pack everything up. Volunteers receive thorough instructions in advance.

On show day, we're happy to have you for all or just part of the day. Either way, **we'll feed you—and thank you!**

Entry Form on page 11

CLASS SPECIFICATIONS**IN THE WHITE-FENCED ARENA****WORKING PLEASURE***(It's all about the Horse)*

This is a Pleasure Driving class in which entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the arena at a walk, slow trot, working trot and strong trot. To stand quietly, both on the rail and while lined up, and to rein back. All entries chosen for a workout may be worked both ways of the arena at any gait requested by the judge and may be asked to execute a figure of eight.

To be judged:

70% on performance, manners and way of going of the horse(s).

20% on the condition and fit of harness and vehicle.

10% on neatness of attire.

SUPER REINSMANSHIP*(It's all about the Driver)***Test #2 on page 15**

This class is judged on the driver's skill: use of aids, control of the horse(s), accuracy, quality of transitions and gaits, with additional consideration of impressions of the turnout and driver. Entries must follow the designated track without deviation keeping red markers on their right and white markers on their left. Numbered markers with cones will be used to indicate the sequence and starting point of each element. The cones will be set at minimum 80 inches. The element begins when the horses nose reaches the marker. A working walk, slow trot, working trot and strong trot and rein back will be part of the test.

The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, contact with the horse's mouth should be

maintained with an elastic, supportive hand. Drivers should not be penalized or rewarded for using one general style over another. The use of the whip and the voice are important aids in driving and should be used effectively and discreetly.

Scoring:

- Each element – use of aids, control of the horse(s), accuracy, quality of transitions and gaits. (0-10 points for each element)
- Overall impression – the turnout on the condition & fit of harness and vehicle, neatness of attire. (Maximum total score = 10)
- General Impression-of the driver's posture, relaxation, confidence, and effectiveness. (Max total score = 10)

Obstacle Driving Classes

Classes
begin at
9:00 AM

ON THE POLO FIELD

PICK YOUR ROUTE OBSTACLES

To be driven over a course of obstacles (paired markers) with no set route. The number of obstacles not to exceed 20 obstacles.

Typically, obstacles in this type of class are not measured for each entry but are set at 80 inches at the start of the competition, and only reset in the event of a knockdown.

After passing through the Start markers, the driver shall

proceed through each obstacle to the designated Finish marker, choosing his/her own route. Each obstacle and the start & finish lines to be negotiated once and only once, but may be driven from either direction.

Course faults are scored as penalty seconds and are added to the driver's elapsed time. Placings are determined on a low total time basis.

TOWN & COUNTY OBSTACLES

After passing the starting line, the driver shall proceed through each obstacle in order to the designated finish line. Obstacles are set at 80 inches (2.0m) for all competitors. At least 30% of the obstacles must not be a pair of cones, but instead an obstacle that could be encountered

while out driving through town or country; i.e., mailbox and cones, trash barrel and cone, flagpole and a cone, fence section and cone, bridge, poles set like guardrails, wood piles, artificial animals (these should be set at a distance from a pair of cones to avoid frightening animals).

FAULT & OUT OBSTACLES

- a. A timed course of numbered obstacles to be driven at the trot. The number of obstacles to be proportionate to the dimensions of the driving area and not to exceed 10 obstacles.
- b. After passing through the Start markers, the driver shall proceed through each consecutively numbered obstacle, in order, until the allowed time expires (suggested time, 90 seconds to two minutes), or until an obstacle is dislodged or a disobedience occurs.
- c. If all the obstacles are driven cleanly before the allowed time expires, the driver will begin the course again, starting with obstacle #1, without having to pass through the Start markers.
- d. Two points will be scored for each obstacle cleared before the allowed time expires, a disobedience occurs or an obstacle is dislodged.
- e. When the allowed time expires, a disobedience occurs or an obstacle is dislodged, a signal will be given. The driver shall then proceed through the next consecutively numbered obstacle. The time will be taken when the rear axle clears this obstacle. If that obstacle is cleared, one point is scored. If it is dislodged, no points for that dislodged obstacle are scored, but the time is still taken.

Rules for Obstacle Classes

No salute is required before competing in any Obstacle Driving Class.

Placings for turnouts that drive double clear (no penalties and within the time allowed) will be determined by the fastest time.

Penalties

Exceeding time allowed (every second)	1 fault
Knocking down or dislodging obstacle or course marker	4 faults
Break in gait to canter	
1st break to canter	5 faults
2nd break to canter	5 faults

WARNING

UNDER COLORADO LAW, AN EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES, PURSUANT TO SECTION 13-21-119, COLORADO REVISED STATUTES.

Rules and Regulations

All classes offered will be conducted and judged in accordance with The American Driving Society rules and regulations, as much as possible and within reason.

Neither the management of the event nor the property owners of any property used during the event accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, driver, employees, attendants, spectators or any other person or property in connection with this event.

Driving Apparel:

In all classes the driver and any passengers should wear blue jeans and a hat (helmets are strongly encouraged). Drivers must wear gloves. Aprons and/or lap rugs are not required. An appropriate driving whip shall be carried at all times when driving. The whip thong must be able to reach the farthest horse/pony. In all classes drivers and passengers should be dressed neatly and appropriately for the class entered. Blue jeans (blue jeans skirts are acceptable for ladies). Junior drivers (under age 18) must wear an appropriate helmet at all times when driving.

Clarification of Gaits:

The following descriptions constitute the ADS approved standard for performance of each of the required gaits in a pleasure driving competition.

WALK - A free, regular and unconstrained walk of moderate extension is ideal. The horses should walk energetically, but calmly, with even and determined pace. The walk is a four beat gait.

SLOW TROT - The horse should maintain forward impulsion while showing submission to the bit. The trot is slower and more collected, but not to the degree required in the dressage collected trot. However, the horse should indicate willingness to be driven on the bit while maintaining a steady cadence.

WORKING TROT - This is the pace between the strong and the slow trot and more round than the strong trot. The horse goes forward freely and straight; engaging the hind legs with good hock action; on a taut, but light, rein; the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the fore feet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.

STRONG TROT - This is a clear, but not excessive, increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns. Light contact to be maintained. Excessive speed will be penalized.

HALT - Horses and vehicle should be brought to a complete and square stop without abruptness or veering. At the halt, horses should stand attentive, motionless and straight with the weight evenly distributed over all four legs and be ready to move off at the slightest indication from the driver.

REINBACK - Rein back is defined as a backward movement in which the legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- a) The horse must move backward at least four steps in an unhurried manner with head flexed and straight,

pushing the vehicle back evenly in a straight line. The driver should use quiet aids and light contact.

- b) Move forward willingly to former position using the same quiet aids.

NO CANTERING ALLOWED

Cantering Rule: Cantering is prohibited in all classes. Breaks to canter are defined as three full strides. Cantering will be penalized according to class specifications. In the case of multiples, all horses must break to incur penalties.

Junior Drivers/Passengers:

Drivers under the age of 14, except those driving VSE/miniature horses, must be accompanied by a knowledgeable adult horseman at all times.

Drivers or passengers under the age of 18 must wear a suitable helmet at all times when in the vehicle.

Qualifications:

VSE: Under 9.3hh

Small pony: Over 9.3hh, not to exceed 12.2hh

Large Pony: Over 12.2hh, not to exceed 14.2hh

Horse: Over 14.2hh

Multiples are sized based on their tallest member.

The pleasure driving horse may be any breed, color or size.

Donkeys and mules of any size are welcomed and will be placed in classes based on their size as defined above.

Vehicle and Harness Requirements:

Any safe two- or four-wheeled vehicle is appropriate for this competition with the following exceptions:

Forecarts and similar farm equipment are **not** allowed.

Wire Wheel Vehicles (i.e. bicycle wheels) are allowed for VSE and Small Ponies only.

Vehicles may have iron or solid rubber tires or inflatable rubber tires.

Any type of harness is acceptable as long as it is safe and appropriate for the turnout. All harness should be clean and in good working order. Breaching is required for any vehicle without working brakes.

Check reins are only allowed in the Working Pleasure class if appropriate to the turnout. Check reins are not allowed in any other class. Kicking or bucking straps are acceptable on all single turnouts.

Turnout Definitions and Groom Requirements:

Grooms/Passengers: must be at least 12 years of age.

Grooms may be "recruited" from the volunteer pool if needed.

SINGLE: one horse driving a 2- or 4-wheeled vehicle (groom optional)

PAIR: two horses harnessed abreast driving a 2- or 4-wheeled vehicle (1 groom required)

TANDEM: two horses harnessed in single file driving a 2- or 4-wheeled vehicle (1 groom required, except for VSE)

UNICORN: three horses harnessed one in front and two behind driving a 4-wheeled vehicle (2 grooms required, 1 groom for VSE)

FOUR-IN-HAND: four horses harnessed in pairs, two in front, two behind, driving a 4-wheeled vehicle

(2 grooms required)

CDS EVENT: BLUE JEANS PLEASURE SHOW | SATURDAY, AUGUST 27 | SALISBURY EQUESTRIAN PARK | PARKER, CO

(continued from previous page)

Splitting/Combining Classes:

Class sections will be generally defined by the size and number of horses in each turnout as described above in Qualifications and Turnout Definitions. The Judge and/or Show Management reserve the right to split any class section, in the interest of safety, should the number of entries warrant such action.

Class sections shall not be less than 3 turnouts. In the event that a class section does not fill, Management reserves the right to combine turnouts in any practical manner. Final class section designations will be provided on the day of the show. Junior drivers will be combined into their own class sections regardless of the size or type of the turnout.

Awards & Divisions

Ribbons will be awarded 1st to 5th place. Champions from each division, based on accumulated points, will receive a high point award. Divisions are VSE, Pony, Horse, Multiples, Junior, Pair Horse, Pair Pony.

BRIDLE RULE

A bridle with reins attached and passed through the saddle terrets must be in place whenever a horse is hitched to a vehicle. **FAILURE TO COMPLY WILL INCUR ELIMINATION FROM THE EVENT**

Dogs must be on leash at all times.

Other Rules Salisbury Park may have other rules posted that participants have responsibility to read and follow.

The Timing Plan

In an effort to be efficient with your time, we plan to run the arena classes and polo field classes simultaneously. This should help shorten the day and keep you driving from the time you put to/hitch until lunch.

Lunch

Panera's will bring our lunch. Please choose your sandwich, cookie, and chips or apple. Water & soda will be available for everyone.

Our volunteers are also fed. Would you be so kind as to sponsor lunch for a volunteer ?

Restroom facilities and water

There are several restroom facilities available on site.

Water for your horses is available at the maintenance building. This is a good distance from the event site, so it is recommended that you either bring your own water or stop on your way in to the event to pick some up.

Parking

There is sufficient parking available. Please keep a fair distance between trailers.

Volunteers are needed for the Blue Jean Pleasure Show!
