President's Message

Hi Everyone,

What a fabulous Blue Jeans Pleasure Show we had last Saturday. Susie even got some great prizes donated for the top winners. Susie, you outdid your self again. And a great big thank you to all the volunteers and participants that came.

We are changing gears with our monthly speakers. Brooke Spain, the event coordinator from the town of Parker is coming to talk to us about the upcoming Parker Christmas Carriage Parade. She is bringing a Power Point presentation to show us everything we wanted to know about being involved with the parade

We have 2 events coming up in September. The Picnic Drive/Fun Day at Salisbury on Saturday the 10th and the Greenland Drive on Sunday the 18th. We hope we will see you there.

PUT THEM ON YOUR CALENDAR
 AND LET'S FINISH WITH A GREAT YEAR!

Fred Wehrli

Adjourn

CDS EVENT: PICNIC DRIVE | SUNDAY, SEPTEMBER 10 | SALISBURY HORSE PARK, PARKER, CO

CDS Picnic Drive/Fun Day

Sunday, September 10, 2016

Salisbury Equestrian Park
11920 N. Motzenbacher Rd, Parker, CO

**Show up,
drive around the park,
and have a picnic!**

A no-pressure fun day. An informal get-together of like-minded folks. Drive at around 10:00. Drive the hazards at your own speed. Gather for lunch at around noon. Talk about the fun planned for the remainder of the season.

Bring your own lunch and chairs!

CDS EVENT: GREENLAND OPEN SPACE TRAIL DRIVE | SUNDAY, SEPTEMBER 18 | LARKSPUR, CO

CDS Greenland Open Space Trail Drive 10 am-1 pm, Sunday, September 18, 2016

Greenland is part of the vast expanse of Douglas County open space you see along I-25 between Larkspur and Monument hill. It is easily accessible at exit 167 from both north bound and south bound I-25. Lots of drive-through trailer parking, a port-a-potty and a covered picnic area with really nice tables are all provided at the trailhead.

Directions: From I-25 exit 167, go west .2 mile to where road turns south. Entrance to Greenland Open Space will be straight ahead .4 mile.

The organizers will be there **before 10:00 AM**. Please plan to **arrive early enough to complete your drive by 1:00 PM**. Our picnic will follow, so **bring your lunch**. If you have any questions, give us a call.

Bob Ripple: 303-681-2574 rcjbripp@aol.com

Please call so we know who is planning to come.

When you arrive, please see Bob to sign a release before the drive.

Your drive can be as long as 9+ miles or as short as you want it to be. Almost everywhere along the trail you will be able to move off the trail to rest your equine and/or circle around to reverse direction.

Everyone from VSE to draft drivers can enjoy an interesting drive in an awesomely huge area of open space. After the first .9 mile, you will have choices.

[1] You can plan to drive the entire Kipps Loop for a 8.2 mile RT drive. [2] You can plan to drive only the lower trail. That would be a RT drive of 2.0 miles to 7.0 miles depending on when you decide to reverse direction. [3] You can plan to drive only the higher trail. That would be a RT of from 2.0 to 9.4 miles.

On all the trails, none of the inclines or declines are steep. There are not any scary drop-offs. Most of the trails were originally graded and spread with gravel. Over time, some erosion and re-growth of the original vegetation has occurred. As a consequence, in some areas one wheel path may be obscured and the ride can be a little rough. The trail is some what comparable to a marathon course without hazards. However, you will have no need to go fast.

Each drive participant will be using the Greenland Open Space facilities as individual members of the general public. Each of us will be obligated to obey the applicable trail and parking lot user rules and to respect the rights of others to use the facilities on an equal basis. CDS has no control over and assumes no liability with regard to the condition of those facilities or the behavior of other people in or near those facilities."
