## Hello members!

I get to always give you the tough information and I realize some of the business stuff can be boring to many of you. Ha! But, I believe in providing an open window to all members. It is "our club" and we want to have it around for our grandchildren.

Let me give you some information from "behind the scenes." Since we had a change of treasurers, the club hired a certified auditor to audit all the financials from 2004 to December 31, 2011. Our audit was very sound and we only got a couple "improvement recommendations" for the future. Those recommendations were better cash management (issue receipts for cash transactions) and maintaining our liability forms by event for a couple years. The board met and agreed with the findings and recommendations. So, we have obtained carbon-copied receipt books and will make sure that we have them at every event. If you pay in cash, make sure you get a receipt. If you are hosting an event, please get with Nancy (our great treasurer) for a receipt book.

We have already had four successful events this year. We have another upcoming ADT on May 19 at Mary Woolverton's place in Elizabeth. My goodness! What would we do without Mary? The completed events produced the following: (1) the Jeff Morris clinic: the club lost \$85.58 (due to a no-show/no-pay person);

### ***Event Organizers:***

- Please see information about organizing events (budgets, notification, etc.) on the CDS web site.
- And, please send results and a report about your event to the newsletter. (7231 Eaton Cir, Arvada CO 80003 or pat.lamprey@gmail.com). Extra nice would be if you could also get participants or their "retinues" to send in a few pictures or send some yourself!

Thanks! Pat Lamprey, Newsletter Editor

### **Attention All Event Organizers**

If you incur an expense that needs to be repaid out of the club's checkbook you will need to produce a receipt. There is a form available for this and we will have them at the membership meetings. We will also provide copies in the Organizer's Packet that we are putting together. Receipts are required to keep our books in order and our treasurer sane.

Items that are donated need to have a receipt for the value of the item and the word "Donated" written on the receipt for tax purposes. This can include judge's fees if the person judging normally charges for their service.

## Arena Driving Trial Saturday, May 19

We're only two weeks away from our second arena driving trial— dressage, cones, and hazards. Training and preliminary drivers will each use the appropriate ADT test #2 from the American Driving Society web site. ([www.americandrivingsociety.org](http://www.americandrivingsociety.org)) Unless we have bad weather, cones and hazards will be outside. We'll wait to start hazards until we're done with dressage and almost done with cones. That way everyone will be able to watch almost everyone else drive the hazards.

The closing date is coming up soon, so please get your entry form in (see page 4) or call to let us know you're coming. And don't forget your volunteer! We're asking each competitor to bring along a volunteer. If everyone provides one volunteer there should be plenty of help — and even if you're not competing or coming as a competitor's volunteer, we'll let you volunteer anyway!

See you there!

*(Continued from page 1)*

(2) the March ADT: we gained \$200; and the (3) Easter Egg Hunt: we lost \$92.88. (Receipts for the April de-spook clinic aren't tabulated yet.) So, basically, we have broken even on the three events and that is GOOD. We are an educational club and if we can break even, that is great!

Please look at your 2012 calendar. We have added a navigator clinic on July 1 (Get ready for 20 Mile House!) and moved the June 16th obstacle course training (at my place) to Saturday, June 30th. Other than those two events, everything is still the same on our calendar. I sure hope to see many of you at the next couple events. Please have fun and enjoy your equines.

— Sandy Clayton

## Greenland Open Space Drive

This wide, easy dirt trail passes through rolling grasslands and some wooded areas. It's an easy to medium difficulty drive. If you stick to the north and west parts of the park, the land is relatively flat; if you head south, you can go up a gradual slope and then a short, steeper hill. It's a total elevation gain of about 500 feet; a moderately fit pony or horse can manage without difficulty. All along the trail, there's plenty of space to pull over and rest or turn around. Counting the various loops, there are approximately 8 miles of trails. One trail parallels the railroad track.

Plan to meet at 10:00 in the open space parking lot, then head off on the trails. Bring a lunch and gather with other drivers (and perhaps a few riders) in the shade to eat at noon. A porta-potty and water are available at the trailhead. (Map on page 6. Note that "north" is on the bottom of the map!)

Take I-25 to exit 167 (south of Larkspur). Go west 1/4 mile, then south 1/2 mile to the trailhead.
