For those of you who have provided feedback through the CDS survey that was sent out thank you!

If you have not filled out a survey there is still time to fill it out and submit your input.

One of the common requests we received so far is that you would like to see a copy of the Rocky Mountain Carriage Club's schedule along with the CDS newsletter. So, we are attaching a copy of the RMCC schedule with your newsletter this month.

Both clubs have many exciting events planned this year so be sure to check each club's schedule. There is certainly something for everyone to enjoy. There will be driver training classes, seminars, competitions, pleasure rides and parades. The Colorado Driving Society and the Rocky Mountain Carriage Club have you covered!

Be sure to check schedules on the web sites and newsletters for more details as events draw near.

We have an exciting year ahead and hope to see you at the events.

Pat Holgate with her Haflinger mare, Farrah, featuring her new biothane harness with brass hardware.

"I just got new biothane harness from Jack. It fits my pony perfectly and looks marvelous too! Jack took a great amount of time measuring and follow through with fitting and I got lots of "extras" in the form of knowledge and experience from him. Next comes the cart and I'm sure to be impressed. Thanks Jack!"
