The CDS Cones Driving Clinic was a big hit.

Many thanks to Marie Harrity for being the event organizer and to the volunteers who assisted!

Jack Bloss Driving Clinic

Al & Joan Sensamici hosted a driving clinic at their facility on July 19th with Jack Bloss as the clinician. Participants included Norb & Rita Nothstein, Heike & Bob Bartlett, and Ingo Wiedenues. A dinner gathering the evening before was held to discuss the goals of the participants for the training to be held the following day. The training day was fantastic. Beautiful weather and our clinician, Jack Bloss, is just a wealth of valuable information and a skilled trainer. Pictures below are from some of the lessons.

Second Sunday Drive

Silver Whip Acres

1113 NCR 3

Fort Collins, CO

Picture it: A beautiful day in Colorado; the sun is shining and a gentle breeze is blowing. Every fiber of your being wants nothing more than to tack up, put your horse to vehicle and drive happily away without a care in the world. To make this picture even better, add in friends and a great venue with safe driving and lots of activities. Imagine the enjoyment you would be having without “show stress” - just a fun day with your favorite equine and your friends.

Well dream no more! Rocky Mountain Carriage Club is holding “Second Sunday” every month at the Silver Whip in Fort Collins with hosts Geir and Roberta Kanstad. Each Sunday is planned to be a relaxed day – with lots of camaraderie. Arrive anytime after 8:30 and stay as long as you want.

Bring a lunch and plan to spend the whole day. Take your horse around the ½ mile track for a good work-out, run the cones course, have a leisurely trot through Geirwood Forest, explore the hazards and even play in the water hazard (temperatures permitting). Give your horse a break and then try it all again.

Everyone is welcome. \$10 fee per turn-out.

We will also provide copies in the Organizer's Packet that we are putting together. Receipts are required to keep our books in order.

Items that are donated require a receipt for the value of the item and the word "Donated" written on the receipt for tax purposes. This can include judge's fees if the person judging normally charges for their service.

Beautiful well made KG carriage.

Barn stored and covered.

Cover is custom made. Used on Gus, 14.2 Morgan and would fit up to 15.2 easily. Weighs 225 lbs. and is easy to move around and load. Shafts are removable but I have never done so. Gus and I are retiring and the carriage needs to find a good home.

\$2,500 for the carriage and cover. Cover was \$400.00 and there are no rips or tears.
